**Sub: Non - engagement of MGNREGS staff in other works.**

This is to express my deep concern on the slow pace of progress w.r.t. the different performance indicators of Mahatma Gandhi NREGA implementation.

It needs to be shared at this point that the involvement & performance of the manpower engaged at different tier is one of the factors that directly shape the performance & pace of the implementation of the work at the ground level. The success of any of the strategy for enhancing the persondays generation, initiatives in IBS, Special Campaigns, procurement of DSC, freezing of account information, updation of data through MGNREGASoft and like demands full involvement of all the concerned officials as well as prompt & planned execution of all related guidelines and orders issued time to time.

You are hence asked not to engage MGNREGA Officials in works other than MGNREGA, unless there is an exigency, so that they can concentrate exclusively on MGNREGA.

This is for your kind information & strict compliance.
