To :: The Block Development Officer, (All)

Sub. :: Preparatory works for Geo- Tagging of Assets under MGNREGA

As you are well aware that Geo-Tagging of Asset for all completed schemes under MGNREGA has already started in other districts. The mobile handsets per GP will be provided to you in a week. Before starting the Geo-tagging process, field execution preparatory works for smooth conduction and speedy execution of the Geo tagging activities are to be done beforehand which are as follows:

- 1) Checking and verification of the schemes which requires geo- tagging and creation of the Asset IDs of these schemes.
- 2) Identification of the location of various schemes that requires geo-tagging by the GRS NS/STP in GP level
- 3) Checking whether display board exists or not, if it exists then images of the boards and the assets are to be taken If no display board is found then a new display board is to be prepared and images of the same to be procured with other images of the assets and uploaded
- 4) The mobile registration and downloading of the application "Bhuvan" in the mobile handsets are to be done immediately

As reflected in the MIS 12992 schemes are to be geo- tagged. The process of verification, identification and geo tagging of all the schemes / assets should be completed by **10.01.2017 @ 10/GP per day geo -tagging.**

In this regard, a meeting will be held on the **19th of December 2016** at the Lans Downe Hall at 11 a. m.

You are therefore requested to send your Jt.BDO,APO,GRS & CA to the said meeting positively.
