To: The District Magistrate and DPC, (Burdwan)

**Sub- Remuneration to contractually engaged personnel**

Sir,

Kindly note that on review of the list of contractually engaged personnel sent by the district on 23.04.2015 it could be found that there are certain posts in the list which are outside the generally approved list of employees in MGNREGA. We have already communicated to all the districts a list of contractually engaged persons to be paid from the salary component of MGNREGA. Positions included in the list should only be paid out of the salary component. There are certain categories of retired employees who have also been engaged by different districts including yours. While we do not negate such engagement, they should be given designation as per the approved posts only. For payment of remuneration, however, the policy applicable to retired Government servants should be followed. Under the circumstances the following directions are given.

1. Pay salaries only to persons indicated in the State list out of the salary component.
2. Adjust the retired employees engaged against the sanctioned posts only.
3. Send an exhaustive list of persons engage beyond the sanctioned posts to the State Government for consideration.
4. Till anything in the contrary is communicated from the State, pay the monthly remuneration of the employees outside the sanctioned posts from general administrative expenses.
5. Such payment should not be made on the day when the window for payment of salary is open.

Yours faithfully,

24/4/2015
